Summary of Product Appearances: ⓘ

Brand	Count	Appearance
Heineken	1	"leineken" (OCR misspelling)
Larue	7	"LARUE", "O LARUE", "SPECIAL C LARUE", "SPECIAL LARUE", "SPECIAL OLARE", "SPECIAL CCC- LARUE", "-SMOOTH LARUE", "-SMOOTH LARUE"
Tiger	0	None
Bia Viet	0	None
Bivina	0	None
Edelweiss	0	None
Strongbow	0	None

Review:

- **Larue** is the dominant brand in this context, appearing in various forms including "LARUE", "SPECIAL C LARUE", "SPECIAL LARUE", and "SPECIAL CCC- LARUE". It seems to be a popular choice in this store.
- **Heineken** appears only once, and it's misspelled as "leineken" in the OCR. This suggests it may not be a common choice in this store.
- The absence of other brands like Tiger, Bia Viet, Bivina, Edelweiss, and Strongbow could indicate they are not available or less popular in this particular store.

Heineken Frequency Rating:

Based on the single misspelled occurrence, I would rate the frequency of Heineken's appearance in this context as **Very Low**.
